VICKSBURG DISTRICT – WHAT WE DO

Flood Risk Management

2,122 miles of levees

478 flood control structures
29 pumping plants
10 flood control reservoirs

$67.3M damages prevented (FY23)
4.9M acres protected (FY23)

Navigation

1,252 navigable channel miles

9 locks and dams
3 survey vessels
2 dredges

1 unique revetment plant
5 motor vessels

Regulatory

12 regional or progammatic permit types

2,140 completed actions (FY23)

Recreation

10 lakes

172 recreation sites

~8M annual visitors

Hydropower

3 plants → **281k MWh** avg. kilowatt hours of energy annually

Contingency Operations Support

Joint district teams

Multimillion-dollar FEMA assignments

Environmental Stewardship

476K acres forestry and wildlife land

30K acres reforested mitigation lands

Emergency Operations

2 tactical vehicles

8 missions supported (FY23)

52 personnel deployed (FY23)

Interagency Support

We collaborate with:
FEMA, the Environmental Protection Agency, U.S. Fish and Wildlife Service, the Veterans Administration, and the U.S. Department of Agriculture, among others.

Water Supply

11 water supply agreements

~300K acre-feet of storage

QUICK TIPS FOR MARKETING YOUR BUSINESS AND DOING BUSINESS WITH THE USACE VICKSBURG DISTRICT

- Register with System for Award Management (SAM): You must be registered in SAM to be awarded a contract from the Government. www.sam.gov

- Research our mission and what we buy, familiarize yourself with applicable procurement regulations and strategies.

- When marketing, emphasize your experience, past performance, and financial capability. Small Business size status does not override proven ability to perform successfully.

- Identify current procurement opportunities in your product or service area by visiting the SAM web site at www.sam.gov "W912EE"

- Respond to Sources Sought Notices

- Explore Subcontracting Opportunities https://www.sba.gov/federal-contracting/contracting-guide/prime-subcontracting
