The MRC will travel the Tennessee, Cumberland and Ohio Rivers Saturday, August 8th through Friday, August 14th with stops in the following locations to experience dialogue sessions with partners and stakeholders. Chattanooga, TN; Decatur, AL; Clarksville, TN; Nashville, TN; Kentucky Lock, KY; Olmstead Lock

Public meetings will be held by the Mississippi River Commission on board the Motor Vessel MISSISSIPPI as follows:

Cape Girardeau, MO (City Front)	9:00a.m., 14 August 2015
Memphis, TN (Mud Island)	9:00a.m., 17 August 2015
Lake Village, AR (Boat Ramp at Old Greenville Bridge)	9:00a.m., 19 August 2015
Baton Rouge, LA (City Dock above USS Kidd)	9:00a.m., 21 August 2015

All meetings will be open to the public with the agenda below:

1. Presentations to the Commission by local organizations and members of the public giving views or comments on any issue affecting the programs or projects of the Commission and the Corps of Engineers.
2. District Commander's overview for the Commission on current project issues in the respective area.
3. Summary report by President of the Commission on national and regional issues affecting the U.S. Army Corps of Engineers and Commission programs and projects on the Mississippi River and its tributaries.

Please contact me or Ms. Edie Whittington for more information at 601-634-5768 or email cemvd-ex@usace.army.mil.

TIMOTHY S. GAMBRELL
Director, Civil Engineer

Since 1879, the seven-member Presidentially appointed Mississippi River Commission has developed and matured plans for the general improvement of the Mississippi River from the Head of Passes to the Headwaters. The Mississippi River Commission brings critical engineering representation to the drainage basin, which impacts 41% of the United States and includes 1.25 million square miles, over 250 tributaries, 31 states, and 2 Canadian provinces.

Listening, Inspecting, Partnering and Engineering since 1879
