

America's Watershed: A 200-year working vision

An Intergenerational Commitment

Our people enjoy a quality of life unmatched in the world. We ...

- Lead secure lives along the river or tributary.
- Enjoy fresh air and the surrounding fauna, flora and forests while hunting, fishing and recreating.
- Travel easily, safely and affordably.
- Drink from and use the abundant waters of any river, stream or aquifer.
- Choose from an abundance of affordable basic goods and essential supplies that are grown, manufactured and transported along and by the river to local and world markets.

Leveraging local citizens' input, international dialogue, science, engineering, technology and public policy

The Mississippi watershed is 41% of the US, 31 states, 1.25 million square miles, over 250 tributaries

Balancing needs for ...

- ❖ National security & flood damage reduction
- ❖ Environmental sustainability & recreation
- ❖ Infrastructure & energy
- ❖ Water supply & water quality
- ❖ Movement of goods; agriculture & manufacturing
