

Dear Mr. Boswell:

Thank you for the comments relayed by Mr. Robert Sueppel of your staff during our Mississippi River Commission public meeting in Keokuk, Iowa, on August 15, 2001.

We appreciate your support of the Corps of Engineers re-start of the Upper Mississippi River-Illinois Waterway System Navigation Study.

Thank you again for your interest in the activities of both the Mississippi River Commission and the Rock Island District. We look forward to hearing from you or your staff at our future meetings.

Sincerely,
