

Dear Mr. Clark:

Thank you for participating in the Mississippi River Commission public meeting held in La Crosse, Wisconsin, on August 13, 2001.

We appreciate your kind remarks regarding the Corps of Engineers and our Pool 8 Islands Habitat Restoration project. We are pleased that the project is restoring ecological diversity within Pool 8.

Your interest in the Mississippi River and the work of the Commission is commendable. We look forward to working with you as we continue to address the complex economic, environmental, and recreational uses of the upper Mississippi River.

Sincerely,

Edwin J. Arnold, Jr.
