

Dear Mr. Moe:

Thank you for participating in the Mississippi River Commission public meeting held in La Crosse, Wisconsin, on August 13, 2001.

We appreciate your testimony at our hearing. It is heartening to see the local support for the Environmental Management Program. The Commission notes your enthusiastic discussion of the Pool 8 drawdown project and the benefits it is producing.

Your interest in the Mississippi River and the work of the Commission is commendable. We look forward to working with you as we continue to address the complex economic, environmental, and recreational uses of the upper Mississippi River.

Sincerely,

Edwin J. Arnold, Jr.
