

Dear Mr. Williams:

Thank you for your attendance and presentation at the Mississippi River Commission public meeting in Caruthersville, Missouri, on April 2, 2001.

The Commission recognizes and appreciates your support of the Mississippi River and Tributaries (MR&T) project and your efforts in regard to the promotion of flood control and navigation works in the Mississippi Valley. Without the tireless efforts of you and others in both the West Tennessee Tributaries Association and Mississippi Valley Flood Control Association, the completed work of the MR&T project would not be nearly as far along as it is today.

Thank you again for your comments before the Commission. We appreciate receiving your views and will be pleased to hear from you at our future meetings.

Sincerely,

Edwin J. Arnold, Jr.
Brigadier General, U.S. Army
