

Coast Guard 2014

High Water Preparedness

CAPT Tim Wendt
14 Feb 2014

Waterways Action Plan

- Joint Coast Guard, Army Corps and Maritime Industry Plan
- Plan is successful due to close coordination with all stakeholders
- Current WAP stemmed from 2005 High Water Lesson Learned
- Base Plan with 6 Annexes
 - www.uscg.mil/d8/westernrivers
- Annexes updated annually by the regional river action committees

2014 Preparedness

- Tracking Ice and River Gages
 - Daily/Weekly Teleconferences
 - Managing Impacts to the Marine Transportation System (MTS)
- Maintaining readiness for Flood Response
 - 14 flood punts and gear staged at our river units
